## **Section 5 Recognition of Employer**

The Union hereby recognizes the Employer as the sole and exclusive bargaining representative for their respective members, present and future, who are or hereafter become members.

## **Section 6 Employer Membership**

This Agreement is made for and on behalf of and shall be binding upon all persons, firms or corporations under any name or style of doing business in the construction industry that, at the time of the execution of this Agreement are, or during the term hereof become, members of the Employer, in the area covered by this Agreement. A list of such Individual Employer members shall be furnished to the Union upon the execution of this Agreement, and thereafter shall be furnished to the Union not less often than once a month.

In addition, the Employer shall immediately notify the Union in writing whenever an Individual Employer becomes a member of the Employer. Notwithstanding the foregoing, the Union shall have the right, within seventy-two (72) hours of receipt of said written notice, to object to any Individual Employer becoming a party to this Agreement and to insist upon, if appropriate, negotiations separately with that Individual Employer. Upon receiving such objection from the Union, this Agreement shall be null and void ab initio for all purposes as to that Individual Employer only. This paragraph does not apply to an Individual Employer that is signatory to an existing Agreement with the Union.

All Individual Employers shall be and remain liable under this Agreement for and during the term thereof, irrespective of whether such Individual Employers shall resign from membership in the Employer or withdraw from the Carpenter Multiemployer Bargaining Section prior to the expiration date of this Agreement, and such liability shall be deemed to have survived the termination of said membership or withdrawal and remain in force for and during the term of this Agreement. Such Individual Employers shall be bound by any amendments, modifications, supplements, changes, extensions or renewals of or to this Agreement unless such Individual Employer gives written notice to the Employer and to the Union not more than ninety (90) days nor less than sixty (60) days prior to July 1, 2027, or July 1 of any year in which this Agreement may terminate.

## **Section 7 Recognition of Union**

The Union has requested recognition as the Section 9(a) representative of the employees covered by this Agreement and has demonstrated or offered to demonstrate that the majority of the employees have authorized the Union and/or each of its constituent bodies to represent them in collective bargaining. The Employer and each Individual Employer expressly acknowledge that they and each of them have satisfied themselves that the Union and/or each of its constituent bodies represents a majority of employees employed to perform bargaining unit work and agrees that the Union and/or each of its constituent bodies is the Section 9(a) collective bargaining representative of such employees. The Employer, on behalf of itself and each of its members, and each Individual Employer, specifically agrees that it

and they are establishing or have established a collective bargaining relationship by this Agreement within the meaning of Section 9(a) of the National Labor Relations Act of 1947, as amended. The Union is recognized as the sole and exclusive bargaining agent for itself, the NCCRC and all of its affiliated Local Unions.

Any dispute concerning the interpretation or application of this Section shall be resolved by the permanent neutral Arbitrator pursuant to the procedures set forth in Section 51 (Grievance Procedure) of this Agreement, either during the term of this Agreement or anytime thereafter, whenever the issue is raised by either party. The Employer, on behalf of itself and each of its members and each Individual Employer, specifically agree that the permanent neutral Arbitrator may order (as the Arbitrator deems appropriate) the parties to bargain in good faith for any period following a written notice of termination of this Agreement unless and until a lawful impasse occurs or until a successor Agreement is negotiated or any other appropriate remedy.

## **Section 8      Independent Agreement**

In the event the Union establishes special conditions for work covered by this Agreement, those special conditions shall be made available to the Employer or Individual Employers who wish to perform the designated work in the same locality as provided for in that immediate Area Agreement.

The Union will promptly notify the Employer in writing of any amendment, modification, exception or addendum to this Agreement which might be negotiated in any area covered by this Agreement between the Union, any Individual Employer or group of Individual Employers.

## **Section 9      Liability of the Parties**

This Agreement is made for and on behalf of, and shall be binding upon all persons, firms and corporations, who at the time of execution of this Agreement are members of the Employer, or subsequently become members of the Employer as defined in Section 6 (Employer Membership). This Agreement is binding upon each Individual Employer regardless of whether or not the Individual Employer changes the name or style or address of the business. Each Individual Employer, corporate or other legal entity, or its successor as per Section 6 (Employer Membership), shall be liable, subject to, and bound by this Agreement. It is agreed that the wages, hours and working conditions of this Agreement are the wages, hours, and working conditions in the area covered by this Agreement.

Except as may be provided in Section 2 (Term of Agreement) of this Agreement, each employer individually signatory hereto waives any right that he/she or it may have to terminate, abrogate, repudiate, or cancel this Agreement during its term, during the term of any future modifications, changes, amendments, supplements, extensions, or renewals of or to said Master Agreement, or to file any Petition before the National Labor Relations Board seeking to accomplish such termination, abrogation, cancellation or repudiation.

## **Section 10      General Saving Clause**

It is not the intent of either party hereto to violate any laws, rulings, or regulations of any governmental authority or agency having jurisdiction of the subject matter or of this Agreement, and the parties hereto agree that in the event any provision of this Agreement is finally held or determined to be illegal or void as being in contravention of any such laws, rulings or regulations, nevertheless, the remainder of this Agreement shall remain in full force and effect unless the parts so found to be void are wholly inseparable from the remaining portion of this Agreement. The parties

agree that if and when any provisions of this Agreement are held or determined to be illegal or void they will then promptly enter into lawful negotiations concerning the substance thereof.

It is the intent of the parties to this Agreement that each and every, all and singular, of the provisions of this Agreement be fully in accordance with Federal and State Law. Its interpretation and the interpretation of each of the provisions of this Agreement are therefore intended to apply no broader than that permitted by law.

## **Section 11     No Discrimination**

It is mutually agreed that the Individual Employer and the Union shall fully comply with all Federal and State Laws, including but not limited to all of the provisions of Title 7 of the Civil Rights Act of 1964, as amended, Presidential Executive Order No. 11246, the California Fair Employment and Housing Act, as amended; and the Americans with Disabilities Act of 1991, as amended to the end that no person shall, on the grounds of age, sex, race, color, national origin, sexual orientation, gender, ancestry, disability as defined by the Americans with Disabilities Act of 1991 and the California Fair Employment and Housing Act, or Vietnam Veteran status, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination by not having full access to the contents of this Agreement. The Employer and the Union shall work collaboratively to improve recruitment, retention and viable work opportunities for minorities, women and any other protected class. Upon the request of either party, a committee shall be formed to ensure practical steps are being taken towards diversity and inclusion in the workforce.

It is further agreed that no person or applicant for employment shall be discriminated against or shall have his/her employment relationship affected by reason of his/her age except as provided in the Trust Agreement, rules and regulations, and statements of procedure governing the Carpenters Training Committee for Northern California.

Nothing in this section and no grievance filed pursuant to this section shall be deemed a waiver of any individual worker's statutory rights provided by Federal and/or State Laws.

Throughout this Agreement, wherever the masculine gender appears, the feminine form applies equally and may be substituted therefore.

## **Section 12     Union Security**

1. Every person performing work covered by this Agreement who is a member of the Union and in the employment of an Individual Employer on work covered by this Agreement on the effective date of this Section shall, as a condition of employment or continued employment, remain a member in good standing of the Union or the appropriate Local Union of the Union. Every other person covered by this Agreement and employed to perform work covered by this Agreement shall be required, as a condition of employment, to apply for and become a member of and to maintain membership in good standing in the Union or the appropriate Local Union of the Union which has territorial jurisdiction of the area in which such person is performing work on the expiration of eight (8) days of employment, continuous or cumulative, on such work following the beginning of such employment or the effective date of this Section, whichever is later. Membership in any Local Union shall be available to any such person on the same terms and conditions generally applicable to other members. If Federal Law is hereafter amended to permit a lesser requirement for union membership or union membership as a condition of employment than provided in this Section, the Employer and the Union will promptly enter into negotiations with regard to such subject.

2. The Individual Employer shall not be required to discharge any employee pursuant to this Section until a written notice from the appropriate Local Union of the Union of such employee's non-compliance with this Section, stating all pertinent facts showing such non-compliance, shall have been served upon such Individual Employer and two (2) working days shall have been allowed for compliance therewith.
3. No person (owner, partner, or officer of any Individual Employer) shall be permitted to perform work covered by this Agreement unless such person is covered by all the provisions of this Agreement including the payment of all Trust Fund contributions; provided, however, that not more than one (1) owner may be permitted to work with the tools under the same conditions with the exception of Section 12 (1), and provided that while contributions to all Trust Funds shall be required on the basis of hours actually worked, no Health and Welfare eligibility shall be accrued or granted for an owner required to report under this Section unless hours for which contributions are received on behalf of the owner equal or exceeds an average of (145) hours during the three (3) most current work months and provided that all contributions due on behalf of all hours for all employees reported by the employer are current. Furthermore, no hours reported under this Section shall be used to qualify for any disability benefit, credit, or extension provided by any of the Carpenter benefit funds established by this Agreement. Additionally, in the event that delinquent contributions are due, no owner hours to any fund shall be credited towards benefits until the delinquency is resolved. This Section shall not be interpreted so as to diminish work opportunity for employees covered by this Agreement.

Membership in good standing shall be defined as the tendering of uniform initiation fees and dues, including Work Fee.

### **Section 13 Union Representative**

Union representatives shall be permitted at all times upon any place or location where any work covered by this Agreement is being, has been, or will be performed.

Where there are visitation or safety restrictions imposed at the jobsite, Union representatives shall make a good faith effort to comply by the Individual Employer's jobsite specific safety policy and the Individual Employer will use his/her best efforts to provide access to the site by the Union representative.

### **Section 14 Stewards**

1. A steward shall be a working journeyman employee, appointed by the Local Union or the NCCRC of the Union, who shall, in addition to his/her work as a journeyman be permitted to perform, during working hours, such of his/her Union duties as cannot be performed at other times. The Union agrees that such duties shall be performed as expeditiously as possible and the Employer agrees that stewards shall be allowed a reasonable amount of time for the performance of such duties. The Union shall notify the Individual Employer of the appointment of each steward. Unless notified to the contrary, the first journeyman on the job shall act as job steward until the Union appoints a successor. In no case shall a foreman be a steward.
2. No steward shall be discharged or laid off except for just cause. In the event of layoff or discharge of a steward, the Union shall be given notice in writing at least two (2) working days prior to the effective date of such discharge or layoff. Such notice shall contain the reasons for layoff or discharge.

The steward shall be the last employee other than the foreman to be laid off for lack of work but may be transferred to another job providing the Union is given prior notice for the transfer.

3. Application or violation of this Section shall be subject to Section 51 (Grievance Procedure).

## **Section 15 No Strike**

Except as provided in this Section, there shall be no strike, lockout or work stoppage by any party hereto or any Individual Employer. The Union may withhold workers or picket the job of any Individual Employer who fails to pay wages or is in violation of the Piece Rate Prohibition or Trust Fund Contribution provisions of this Agreement. The Union may withhold workers of any subcontractor who fails to pay wages or is in violation of the Piece Rate Prohibition or Trust Fund Contribution provisions of this Agreement. The Union, with five (5) days written notice to the Individual Employer may withhold workers or picket the job of any Individual Employer for violation of the Hiring Hall (Section 49), Union Security (Section 12) or Subsistence (Appendix A) provisions of this Agreement only if no dispute exists between the Employer and the Union concerning such alleged violation.

## **Section 16 Jurisdictional Disputes**

There shall be no cessation or interference in any way with any work of the Employer or any Individual Employer by reason of Jurisdictional Disputes between the Union and any other union with respect to jurisdiction over any of the work covered by this Agreement. Such disputes will be settled by the Unions themselves, or submitted to the International Presidents of the Unions involved in the dispute, for determination. Until such determination is made and confirmed by the disputing Unions, the work shall proceed as originally assigned by the Individual Employer. Craft jurisdiction is neither determined nor awarded by classifications or coverage descriptions appearing in this Agreement. The Individual Employer shall be bound by an agreement between the General Presidents.

## **Section 17 Picket Lines**

The parties to this Agreement recognize that it is vital to the unionized segment of the construction industry that the work opportunities of the employee and the Individual Employer signatory to this Agreement proceed without interruption because of disputes involving employers and/or unions not signatory to this Agreement.

The Union will not discipline, the Individual Employer will not permanently replace and the parties both agree not to threaten nor cause to be denied the rights of individual workers to respect primary picket lines established at or on the jobsites of the Individual Employer.

## **Section 18 Efficiency**

It is agreed that the carpenters, through their field representatives, use their efforts to encourage greater efficiency on the job and that they refrain from the solicitation of premium payments for employees represented by the Union. The employees and the Union shall use their efforts to encourage greater efficiency compatible with sound construction practices on the job and shall refrain from the solicitation of premium payments for employees.

Except as provided in Section 50 (Work Preservation, Contracting and Subcontracting) hereof, neither party to this Agreement shall by working rules or any other means or device, impose or direct any work limitations affecting

quantity restrictions, quotas or units of production, either maximum or minimum, relating to work covered by this Agreement.

No rules, customs or practices shall be permitted that limit production or increase the time required to do any work. There shall be no limitation or restriction of the use of machinery, tools or other labor-saving devices supplied by the Individual Employer.

## **Section 19     Safety**

The Union shall cooperate (1) with the Individual Employer and with each other in carrying out all of the Individual Employer's safety measures and practices for accident prevention and (2) employees shall perform their duties in each operation in such a manner as to promote efficient operation of each particular duty and of any job as a whole. The Union and the Employer recognize that drug and alcohol abuse creates an unsafe and inefficient work place.

The parties have adopted the Carpenters 46 Northern California Counties Uniform Substance Abuse Policy which has been and is currently available to individual employers through application to the Carpenters Work Preservation Committee per Section 2-A of this Agreement, original version adopted by the Parties October 7, 1993 which has since been periodically amended.

The Individual Employer must post the name and address of their doctor and the compensation insurance carrier on the jobsite.

All Federal and State safety rules, regulations, orders and decisions shall be binding upon the Individual Employers and their employees and shall be applied to all work covered by this Agreement. No worker shall be required to work under unsafe conditions.

The Individual Employer shall be solely responsible for implementation and maintenance of such safety laws, rules, regulations, standards, orders and decisions. Neither the Union nor any Local Union or the NCCRC is responsible for such implementation or maintenance.

All safety equipment required by State or Federal regulations, including hard hats, shall be provided and maintained by the Individual Employer without cost to his/her employees. Upon termination, the employee shall return such equipment to the Individual Employer.

## **Section 20     Pre-Job Conferences**

1. The Individual Employer shall at his/her option or at the option of the Union or the NCCRC call for a pre-job conference. If the Union or the NCCRC desires, it shall be entitled to a pre-job conference solely with the Individual Employer. The Individual Employer may include his/her subcontractors at such conference.
2. The Individual Employer shall advise the Union or the NCCRC in writing, at all times of the names (including trade names and names of individual proprietors or partners who signed the subcontract) and addresses of all subcontractors or his/her subcontractors employed or to be employed or contracted with for services to be performed under this Agreement. Such written notice shall be made at the pre-job conference or ten (10) days prior to the commencement of work by any such subcontractor.

3. The Individual Employer shall, upon request of the Union or the NCCRC, submit letters of past or present work assignment for purposes of clarifying questions of Union jurisdiction.

## **Section 21     Audit**

Each Individual Employer upon request of the Union, the Employer, or any Trust Fund specified in this Agreement, shall permit the Trust Fund Auditors to review any and all records relevant to the enforcement of the provisions of this Agreement and to enter upon the premises of such Individual Employer during business hours at reasonable time or times to examine and copy such books, records, papers or reports of such Individual Employer as may be necessary to determine whether or not the Individual Employer is making full payment of all sums required by this Agreement. The decision as to the relevancy of records shall be made by the Joint Delinquency Subcommittee and their decision shall be binding on all parties. Such review shall be permitted not less than ten (10) working days after demand. If the Individual Employer cancels an audit appointment without appropriate two (2) hours' notice to the auditor, the cost of such lost time by the auditor shall be borne by the Individual Employer.

The cost of audit shall be borne by the Individual Employer if a shortage disclosed by the audit exceeds \$4,500.00 and is not the result of clerical error.

Trustees of the Trust Funds specified in this Agreement are authorized to determine the appropriate formula to be applied to compute appropriate Trust Fund contributions. The Individual Employer shall be required to comply with such Trust Fund formula and make payments to the Trust Funds immediately upon being advised of the amount due.

Any legal action to compel audit entry shall be filed in the Superior Court of the City and County of San Francisco, State of California, or the United States District Court for the Northern District of California.

Any Individual Employer who refuses audit entry shall pay all the legal fees and costs necessary for compliance of audit entry.

The Union has the right to withhold workers from any Individual Employer who refuses to make available relevant records necessary for the completion of the audit.

Information derived from the audit shall be confidential and used solely for the enforcement of this Agreement.

## **Section 22     Work Day**

The regular work day shall be eight (8) consecutive hours (exclusive of lunch period) between the hours of 6:00 a.m. and 5:00 p.m.

Once the regular work day is established, it shall be for no less than five (5) consecutive regular work days and may be changed only by written notification from the Individual Employer to the appropriate District Office of the NCCRC.

The rate of pay for all hours worked other than the regular established work day shall be governed by Section 26 (Overtime).

There shall be established a meal period that is no more than five (5) hours after the beginning of the shift (and a second meal period no later than five (5) hours after the first meal period concludes). All time in excess of said hours shall be paid at the applicable overtime rate until the meal period is provided. (Such pay shall be reckoned by the hour and half-hour).

Every Individual Employer shall authorize and permit all employees to take rest periods, which insofar as practicable, shall be in the middle of each work period. Nothing in this provision shall prevent an Individual Employer from staggering rest periods to avoid interruption in the flow of work and to maintain continuous operations, or from scheduling rest periods to coincide with breaks in the flow of work that occur in the course of the work day. The authorized rest period time shall be based on the total hours worked daily at the rate of ten (10) minutes net rest time for every four (4) hours worked, or major fraction thereof. Rest periods shall take place at Individual Employer designated areas, which may include or be limited to the employee's immediate work area.

Rest periods need not be authorized in limited circumstances when the disruption of continuous operations would jeopardize the product or process of the work. However, the Individual Employer shall make up the missed rest period within the same work day or compensate the employee for the missed ten (10) minutes of rest time at his/her regular rate of pay within the same pay period.

A rest period need not be authorized for employees whose total daily work time is less than three and one-half (3 ½) hours. Authorized rest period time shall be counted as hours worked for which there shall be no deduction from wages.

It is understood that the employee will take his/her appropriate rest period unless the Individual Employer specifically directs the employee not to take this rest break due to operational requirements.

If an Individual Employer fails to provide an employee a rest period in accordance with the applicable provisions of this Section, the Individual Employer shall pay the employee one (1) hour of pay at the employee's regular rate of compensation (excluding fringe benefits) for each work day that the rest period was not provided.

The rest period provisions of this Agreement will be interpreted consistently with the rest period requirements of the Industrial Welfare Commission Wage Order 16.

A heat illness preventative cooldown recovery period of no less than five (5) minutes shall be made available for employees working in high heat conditions in order to prevent heat illness.

Employees believing a preventative cooldown recovery period is needed to avoid heat illness or suffering from heat illness shall be provided access to an area with shade that is either open to the air or provided with ventilation or cooling. Such access to shade shall be permitted at all times. Cooling measures other than shade (e.g., use of misting machines) may be provided in lieu of shade if the Individual Employer can demonstrate that these measures are at least as effective as shade in allowing employees to cool.

Employees should not discount any discomfort or symptoms they are experiencing. They should immediately report any problems they are experiencing to a supervisor and coworker. Employees must notify their supervisors immediately if they believe they require access to shade, or alternative cooling measures and/or a preventative recovery period.

If an Individual Employer fails to provide an Employee a preventative recovery cooldown period in accordance with this Section, the Individual Employer shall pay the Employee one (1) additional hour of pay at the Employee's regular rate of compensation, excluding fringe benefits, for each work day that a requested preventative recovery period is not provided. No employee shall be discriminated against for exercising his/her rights pursuant to this Section.

All pay shall be reckoned by the day and half-day as follows: Employees who start work at the regular work day or shift shall receive four (4) hours pay or pay for actual hours worked, whichever is greater, regardless of the reason for the inability to complete the regular work day or shift. If the employee voluntarily quits, the employee shall receive pay only for actual hours worked.

Any dispute regarding the provisions of this Section shall be subject to Section 51 (Grievance Procedure) of this Agreement.

### **Section 23     Shift Work**

Shift work can only be established upon prior notice from the Individual Employer to the Union and shall be performed as follows:

Except as provided below, where multiple shifts are worked, if the Individual Employer elects to work the day shift between the hours of 6:00 a.m. and 5:30 p.m., that shift shall work eight (8) hours and for such work they shall be paid the regular straight time rate for eight (8) hours; the second shift shall work seven and one-half (7 ½) hours, and for such work they shall be paid the regular straight time rate for eight (8) hours; if a third shift is worked, they shall work seven (7) hours and for such work they shall be paid eight (8) hours regular straight time pay. No multiple shift shall be established or started for less than three (3) consecutive work days.

On tenant improvement or renovation projects in occupied buildings with a total contract value of five (5) million dollars or less, the Individual Employer may perform multiple shift operations on the basis of eight (8) hours pay for eight (8) hours work on all shifts at the regular straight time rate.

Overtime rates shall be paid for all hours worked on the second or third shift if less than three (3) consecutive days are worked. The provisions of this Section with regard to rates of pay for shift work shall apply solely to the portion of the job which requires shift operations.

When it is a condition of securing the work, a special single shift may be established that will be for no less than three (3) consecutive days, for off hours between Monday and Friday, and will allow for eight (8) hours pay for eight (8) hours work. Work in excess of eight (8) hours per day shall be subject to the overtime provisions of this Agreement.

All work in excess of eight (8) hours on Saturday and all work on Sundays and holidays shall be double time.

Payments or contributions to each of the Trust Funds provided for in this Agreement shall be based on hours worked or paid for, which include contributions for eight (8) hours per shift. No payment or contribution shall be computed at the rate of time and one-half or double the required rate of payments or contributions per hour, nor shall any such payments or contributions be considered part of the hourly wage rate for the purpose of computing overtime, either under this Agreement, the Fair Labor Standards Act, the Walsh-Healey Act or any other law.

On shift work (a) workers working a shift who come off work on Saturday morning at 8:00 a.m. are to be considered working Friday; (b) workers working a shift who come off work on Sunday morning at 8:00 a.m. are to be considered working Saturday; and (c) workers working a shift who come off work on Monday morning at 8:00 a.m., are to be considered working Sunday.

All regularly scheduled shift work performed on Saturday, Sunday and holidays, shall be in accordance with the overtime rates herein specified. All such work shall be performed under the terms and conditions of this Section as to hours worked and rate of pay.

## **Section 24     Work Week**

The regular work week shall consist of forty (40) hours of work Monday through Friday. In the event that work cannot be performed Monday through Friday or Tuesday through Friday (4 x 10 work week) because of inclement weather or major mechanical breakdown, employees may voluntarily make up such day on Saturday and shall be paid at the applicable straight time rate. In the event that work cannot be performed Monday through Thursday (4 x 10 work week) because of inclement weather or major mechanical breakdown, employees may voluntarily make up such day on Friday and shall be paid at the applicable straight time rate. As a courtesy, the Individual Employer shall advise the appropriate District Office of the NCCRC whenever it intends to implement the Saturday (or Friday for a 4 x 10 Monday through Thursday work week) make up day. (The NCCRC District Office phone numbers are as follows: Central (510) 568-4788, Northern (916) 641-1041, and Southern (408) 445-3000).

Four (4) by Ten (10) Work Week (4 x 10): An Individual Employer may establish a work week of four (4) consecutive days of ten (10) consecutive hours, Monday through Thursday or Tuesday through Friday, provided the appropriate District Office of the NCCRC is notified in advance. Applicable overtime rate shall be paid for all work before a shift begins, after ten (10) hours, and on Saturdays, Sundays and holidays. After twelve (12) hours, double time shall be paid. In the event two (2) shifts are employed nine and one-half (9 ½) consecutive hours work, (on the 2<sup>nd</sup> shift) exclusive of meal period, shall constitute a shift's work for which ten (10) hours shall be paid. Provided, further, all shifts are worked the same four (4) consecutive days during a 4 x 10 work week, except as may be changed by mutual agreement. All hours in excess of forty (40) hours in any one (1) week shall be compensated at the applicable overtime rates.

On Residential projects as described in Appendix C (Residential Addendum), the work week shall remain as contained therein.

## **Section 25     Holidays**

The following are nationally recognized holidays covered by this Agreement: New Year's Day, Martin Luther King, Jr. Day, Presidents' Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, the Friday following Thanksgiving Day, and Christmas Day. If any of the above holidays fall on Saturday, the preceding Friday shall be observed as the holiday. If any of the above holidays fall on Sunday, the Monday following shall be observed as the holiday.

In honor of those who have served in the Armed Forces of the United States of America, honorably discharged, reserve and active duty members of our Armed Forces shall be permitted by the Individual Employer to observe Veterans Day, November 11<sup>th</sup>. Veterans shall provide the Individual Employer with two (2) working days' notice to observe Veterans Day. Upon request of the Individual Employer, members shall provide proof of military service.

Veterans choosing to work on Veterans Day shall be compensated at the appropriate straight time and daily overtime rates.

## **Section 27     Parking**

In the event free parking facilities are not available within 1,320 feet (measured by the most direct route on a dedicated vehicular public thoroughfare) of a jobsite, the Individual Employer will provide such facilities and the Individual Employer shall have the right to designate parking areas to be used. Where, because of congested parking conditions, it is necessary to use public facilities, the Individual Employer shall reimburse the employee for the cost of such parking upon being presented with a receipt or voucher certifying the cost thereof, such reimbursement to be made on a weekly basis or at the conclusion of the project, whichever occurs earlier. Designated parking area shall be drained and hard surface.

## **Section 28     Tools**

Carpenters and apprentices shall furnish their own hand tools, but shall not furnish, rent or lease horses, ladders, mitre boxes, power cords, power boxes, automotive equipment to be used for the purpose of hauling or delivering Individual Employer's materials or equipment, or any kind of power operated, including battery, pneumatic or fuel powered, equipment, machines or tools. Each employee shall arrive on the job with hand tools in proper condition. If necessary, the employee shall be allowed a reasonable amount of time during the work week to sharpen tools on the Individual Employer's time.

The Individual Employer shall provide a reasonably secure place where his employees may keep their tools. Where ten (10) or more carpenters are employed on any one (1) job or project the Individual Employer shall provide a separate tool house, or a separate compartment of a tool house under lock and key, for the exclusive use of carpenters. Failure on the part of the Individual Employer to comply with the provisions hereof shall be referred to the Joint Adjustment Board. If any individual employee's tools are lost by reason of fire or theft while in the Individual Employer's care, the Individual Employer shall reimburse the employee for such loss up to a maximum of one thousand dollars (\$1,000.00). Within two (2) working days from the date of claim for loss of tools as provided herein, the Individual Employer shall acknowledge liability therefore or reject the claim.

## **Section 29     Pick-Up Time**

A carpenter shall be entitled to pick-up time, which shall not be less than five (5) or more than fifteen (15) minutes at the end of each work day, the particular amount of such pick-up time depending upon accessibility to the area to which the employee is assigned. The amount of pick-up time shall be determined by mutual agreement at a job site conference between representatives of the Individual Employer and the Union.

### **Section 30 Show Up Time, Termination Pay and Discharge**

Other than on the first (1<sup>st</sup>) day of dispatch, in which case two (2) hours shall apply, workers who report for work, for whom no employment is provided, shall be entitled to four (4) hours pay, except where inclement weather conditions beyond the control of the Individual Employer prevents employment.

Payments of contributions to each of the Trust Funds provided for in this Agreement shall be made with respect to payments required by this Section.

Except as hereinafter provided, carpenters who start work, but are discharged between the hours of 8:00 a.m. and 12:00 noon, shall receive four (4) hours pay; carpenters starting work at 8:00 a.m. who are discharged between the hours of 12:00 noon and 4:30 p.m. shall receive pay only for hours worked.

Carpenters discharged on the first day of employment for inefficiency, insubordination or intoxication, shall receive pay only for hours worked. Carpenters who voluntarily quit shall receive pay only for hours worked.

**DISCHARGED EMPLOYEE.** Employees receiving notice of termination for any reason shall be allowed a reasonable time (not less than fifteen (15) minutes) before the end of the regular work day to assemble their tools in addition to the normal pick-up time prevailing on the job.

After forty (40) hours of employment, the Individual Employer may discharge any employee for just cause only. Just cause is subject to Section 51 (Grievance Procedure). The Individual Employer during the first forty (40) hours of employment may reject or discharge any employee for any reason.

Discharge for cause shall be in writing to the employee.

### **Section 31 Payment of Wages**

An employee who works the full designated work week shall receive on the last day of that work week pay for not less than the number of hours worked on the Monday of that same work week.

Each Individual Employer shall provide with each payroll check an itemized check stub showing separately the date of issuance, each contribution and deduction made from the payroll period covered by the check or a separate statement showing the name of the employee, the name and the Individual Employer's contractor's license number and/or address and the last four digits of the employee's Social Security number. There shall be no cash payment of any nature or kind whatsoever. Payment by cash or second or multiple checks or combination thereof and the payment of excessive premium rates, excessive travel time or bonuses shall be prima facie evidence of an attempt to violate the provisions of this Section. An Individual Employer may pay employees utilizing direct deposit, as provided under California Law. Payment by direct deposit shall be at the employee's option and not as a condition of employment. Late deposits shall be subject to paragraph 3 of this Section. Final compensation shall be paid by payroll debit card or check.

Should an Individual Employer compensate an employee with a check for which payment is refused by the Individual Employer's bank because of insufficient funds, or should an Individual Employer fail to pay his/her employees on the regular established pay day for his/her job, the obligation of the Individual Employer to the individual employee

shall continue at the employee's regular straight time rate for a period not to exceed forty (40) hours, notwithstanding the above, unless the refusal of payment by the bank is due to the bank's error or omission or to circumstances which are beyond the control of the Individual Employer. Any question concerning responsibility of the Individual Employer on whether the omission is beyond his/her control shall be subject to the grievance procedure of this Agreement. Nothing herein shall, however, prevent the Individual Employer from changing his/her payroll date upon five (5) days' notice to the appropriate Local Union of the Union that the employee's pay date is being changed.

If terminated by the Individual Employer for any reason the employee shall be paid immediately in full. His/her pay status shall continue for each calendar day until pay is received; provided, however, that not more than eight (8) hours pay shall be charged for any calendar day with a maximum of five (5) days.

### **Section 32 Prohibition of Piece Work**

No person shall be employed in work covered by this Agreement at piece rates or under any system of bonus pay. Payments by cash or second or multiple checks or combination thereof and/or the payment of excessive travel time, bonuses or other payments such as "Travel Pay" or "Subsistence," where not required or permitted by this Agreement, shall be prima facie evidence of a violation of this Agreement.

If at the time of an audit piece work or bonus payments are discovered, those amounts will be subject to the conversion formula as set forth in Section 21 (Audit). The foregoing shall not apply to an annual bonus paid to supervisors.

### **Section 33 Nonunion Fabricated Materials**

To the extent permitted by law, the Individual Employer will not require Carpenters to handle nonunion fabricated materials.

### **Section 34 Injury**

Employees who are, as a result of an industrial injury, unable to complete a full day's work, shall nevertheless be paid for the full day on which such injury occurred; provided the attending physician has certified to the employee's inability to complete his/her regular assigned work on that day of such injury.

An industrial injury shall not be cause for discharge and an applicant for employment shall not be rejected because of prior industrial injury, provided that any such prior industrial injury has not caused the applicant to be incapable of satisfactorily performing the duties and functions required by the job to which he/she is assigned or would be assigned.

### **Section 35 Document Signing**

No employee or applicant for employment will be required as a condition of employment or continued employment to sign any document not required by law.

## **Section 36 Subcontractor Records**

On residential construction, excluding alteration and repair, the Individual Employer shall keep a record of all hours worked by persons performing work covered by this Agreement for each subcontractor on each separate job or project.

It is recognized and acknowledged that with respect to certain subcontracted functions such as installation of stairways, formica tops, and marlite, it would be difficult and impractical to record the precise hours worked at such functions. On such work the Individual Employer shall make an estimate of the hours worked by the installing subcontractor. These records shall be submitted monthly to the Trust Funds specified in this Agreement.

## **Section 37 Bonding**

The Union may require of any Individual Employer who is delinquent in Trust Fund contributions and/or whose payroll checks have been returned for insufficient funds (“bounced”), that such Individual Employer be required to provide a bond not less than \$5,000.00 or more than \$75,000.00 at the option of the Union or Trust Fund to insure payment of his/her payroll and/or Trust Fund contributions. An acceptable letter from the responsible party or joint checks may be substituted for Bond requirement. It shall not be a violation of this Agreement for the Union to withdraw carpenters from the job(s) of such Individual Employer who may upon demand and notice, fail or refuse to present such bond to the Carpenter Funds Administrative Office, 265 Hegenberger Road, Suite 100, Oakland, California 94621-1480. In the event the defaulting Individual Employer is a subcontractor of a prime contractor signatory hereto, the latter will be notified and given opportunity to post bond as herein provided prior to the withdrawal of carpenters from the job(s); provided, however, the bonding company is approved by the Carpenter Funds Administrative Office for Northern California, Inc.

## **Section 38 Appendices**

A person's lack of skills, qualifications, or work ethic shall be based on the following: at least three (3) different Individual Employers have documented in writing within a nine (9) month period the person's lack of skills, qualifications or work ethic.

A person placed at the end of the Ready to Work list shall be referred to the Carpenters Training Committee for testing and evaluation. If the Training Committee determines that the person has the skills and qualifications of a journeyman carpenter, such person shall be reinstated to his/her place on the Ready to Work list. If the Training Committee determines that the person does not have the required skills and qualifications of a journeyman, the Training Committee shall prescribe a course of training and the person shall remain where they were placed on the Ready to Work list.

Once a person receives three (3) letters, the person shall not be able to select any classification on the list for which he/she has received a letter, until he/she is evaluated by the Training Committee. Written notification shall be presented to the journeyman at the time of termination and a copy shall be sent to the Union.

After evaluation, the person shall not be able to select any classification on the list for which he/she has been determined to lack the required skills and qualifications until he/she successfully completes the course of training prescribed by the Training Committee.

14. No individual who is rejected by the Individual Employer shall be referred to such Individual Employer with respect to the same request pursuant to which he/she was initially referred.
15. The Local Unions shall post in places where notices to applicants for employment with the Individual Employer are customarily posted, all provisions relating to the functions of the hiring arrangements, including the provisions set forth in this Section, and each Individual Employer shall similarly post in places where notices to employees and applicants for employment are customarily posted, a notice of the hiring arrangements, including the provisions set forth in this Section.
16. Selection of applicants for referral to jobs pursuant to this Agreement shall be on a nondiscriminatory basis and shall not be based on, or in any way affected by, union membership, bylaws, rules, regulations, constitutional provisions or any other aspect or obligation of union membership, policies or requirements, provided that the provisions hereof shall not modify or qualify the requirements of Section 12 (Union Security) of this Agreement.

Any person, including an Individual Employer aggrieved by the operation of the hiring hall provisions of this Section, has the right to submit his/her grievance to permanent hiring hall neutral Arbitrator who shall be Mark Divelbiss, or his successor, provided such submission is made in writing, stating the reasons for the grievance, within ten (10) work days after occurrence of the grievance. The neutral hiring hall Arbitrator shall have full power to adjust the grievance and his/her decision thereon shall be final and binding upon the person submitting the grievance and all parties hereto. Forms for the submission of any such grievance shall be available at all times in the office of each Local Union or the NCCRC. Notices required by this Subsection shall be mailed or delivered to Mark Divelbiss, 5938 Rincon Drive, Oakland, CA 94611. The date of the postmark or the date of delivery of the grievance, whichever is later, shall stop the running of the ten (10)

day period. The costs of the arbitration should be borne equally by the Employer and the Union regardless of which Local Union, the NCCRC or Individual Employer is involved.

17. Any person dispatched in accordance with this Section by accepting such dispatch shall be deemed to have assigned to the Union his/her rights to collect unpaid wages or Trust Fund contributions.
18. The procedural rules for the operation of the NCCRC Hiring Hall shall be those Uniform Hiring Hall rules as established, amended or modified from time to time by the NCCRC pursuant to its Bylaws.
19. It is the intent of the parties through a labor-management committee to provide a journeyman certification process for the following skills: welding, concrete, scaffolding, lifts, doors and hardware, bridge building and metal framing.

## **Section 50 Work Preservation, Contracting and Subcontracting**

1. The purpose of this Section is to preserve and protect the work opportunities that will be available to employees covered by this Agreement at the jobsite or job yard.
2. The terms and conditions of this Agreement, insofar as it affects the Employer and the Individual Employer, shall apply equally to any subcontractor of any tier under the control of, or working under oral or written contract with such Individual Employer on any work covered by this Agreement to be performed at the jobsite or job yard, and said subcontractor with respect to such work shall be considered as an Individual Employer covered by this Agreement.
3. If an Individual Employer shall subcontract work herein defined, the work will be subcontracted to a subcontractor signatory to the appropriate Agreement with the Union. Such subcontract shall state that such subcontractor is or agrees to become signatory to an appropriate Agreement with the Union and will comply with all the terms and provisions of said Agreement including the payments of wages, Trust Fund contributions and fringe benefit payments. A copy of the subcontract and signature shall be furnished to the Union upon request.
4. The term “subcontractor” means any person, corporation or other entity, other than an employee covered by this Agreement, who agrees, orally or in writing, to perform for, or on behalf of the Individual Employer, any part or portion of the work covered by this Agreement. The subcontractor shall be properly licensed as required by the California State Contractors License Law.
5. The Individual Employer will give written notice to the NCCRC and/or Millwrights Local 102, (see Appendix B, Section 15) as the case may be, of any subcontract involving the performance of work covered by this Agreement within five (5) days of entering such subcontract and/or prior to commencement of work by the subcontractor, unless such notice is prevented by emergency conditions, and shall specify the name and address of the subcontractor.
  - (a) If thereafter the subcontractor becomes delinquent in the payment of any wages, Trust Fund contributions, or fringe benefit payments, then the NCCRC, Local Union or the Trust Fund office

shall give prompt notice of the delinquency, confirmed in writing, to the Individual Employer and to the subcontractor. The notice shall specify the name and amounts, if known, of the delinquency.

- (b) Said notification by the NCCRC, Local Union or the Trust Fund office shall be provided within twenty (20) days of publication of the Delinquency list provided by the Trust Funds or if in the case of failure to pay wages five (5) days from the applicable pay day. If such notice is given, the Individual Employer shall pay and satisfy only the amount of any such delinquency by such subcontractor occurring within ninety (90) days prior to the receipt of said notice from the Union, and said Individual Employer may withhold the amount claimed to be delinquent out of the sums due and owing by the Individual Employer to such subcontractor.
  - (c) Notwithstanding the provision set forth above, if the subcontractor is found in violation of the hiring provisions of this Agreement, pursuant to the provision of Section 51 (Grievance Procedure), and the Union is unable to collect from the subcontractor the damages determined to be owing for such violation, the Individual Employer shall then be liable for the payment of such damages. The total of this liability, as it would apply to the Individual Employer, shall be no more than five (5) days' violation or the total of the subcontractor's retention being held by the Individual Employer, whichever amount is greater.
6. If the Individual Employer fails to give written notice as required in this Section, he/she shall, until notice is received, assume liability for any violation of the terms and conditions of this Agreement at that particular jobsite or job yard, as may be determined by Section 51 (Grievance Procedure). If the subcontractor is signatory or otherwise bound to an Agreement with the Union, the Individual Employer shall be liable only for delinquencies as set forth in Subsection 5a of this Section for work on that jobsite or job yard. If the subcontractor is not in compliance with this Agreement, then the Individual Employer shall be liable for any violation of this Agreement on that jobsite or job yard.
7. If the Union or the NCCRC thereof should make demand in writing for exercise of this Section, the Individual Employer will require that any subcontractor of the Individual Employer specified in the demand will, if he/she has not already done so, post a surety bond in an amount not to exceed \$75,000.00 to cover payments of wages, Trust Fund contributions and fringe benefit payments specified in this Agreement. Failure of the Individual Employer to comply with this Section within two (2) days of demand will make the Individual Employer liable for the delinquencies of the subcontractor occurring on the Individual Employer's specific job. (The amount of the bonds specified in this Subsection in no way affects the amount specified for bonding purposes elsewhere in this Agreement).
8. Notwithstanding any other provision of this Agreement or this Section, on any residential construction, all work covered by this Agreement shall be performed by the Individual Employer or prime carpentry contractor, and no such work shall be subcontracted to any other contractor except the installation of foundations, overhead garage doors, plastic sink tops, hardwood floors, roof and exterior wall shingles, traditional normal drywall, patio glass sliding doors, stairs, underlayment, base, acoustical ceilings, steel scaffolding, lathing and insulation. The Individual Employer or prime carpentry contractor shall provide all materials and the Individual Employer or prime carpentry contractor shall employ all employees covered by this Agreement who shall be shown on its payroll records except as provided herein. The remedies for default provided in this Section shall apply directly to the Individual Employer or prime carpentry contractor. The

Individual Employer or prime carpentry contractor shall be responsible for and shall directly employ employees covered by this Agreement to perform all work in connection with the construction of all walls and roof framing, installation of all sub-flooring, all exterior sheathing, installation of all metal or wood sash, doors, installation of all trim, installation of all types of cabinets, wardrobes and sliding doors.

9. The Individual Employer has the primary obligation for performance of all conditions of this Agreement. This obligation cannot be relieved, evaded or diminished by subcontracting. Should the Individual Employer elect to subcontract, the Individual Employer shall continue to have such primary obligation. Said primary obligation shall be deemed conclusive evidence of the Union's majority status for the purpose of establishing the obligation of the Individual Employer to bargain collectively pursuant to Section 8(A)(5) of the National Labor Relations Act as amended with the Union upon expiration of this Agreement but for no other statute, rule, regulations, or law.
10. The provisions of this Section may be enforced only through the grievance and arbitration provisions of this Agreement.
11. It is the intent of the parties to enforce the provisions of this Section only to the extent permitted by law.
12. Notwithstanding any provisions of this Agreement or any Memorandum Agreement to the contrary, the provisions of this Section shall not be enforced by strike action or any other form of job shutdown or work interference; provided, however, that the rights provided in Section 51 (Grievance Procedure) of this Agreement are retained to enforce primary obligations of any Individual Employer.
13. Payment by cash or second or multiple checks or combination thereof and the payment of excessive premium rates, excessive travel time, or bonuses shall be prima facie evidence of an attempt to violate the provisions of this Section. The foregoing shall not apply to an annual bonus paid to supervisors.
14. No subcontract shall be in compliance with this Section if the effect of such subcontract is to diminish, eliminate or circumvent the payment of wages and fringe benefits to employees covered by this Agreement.

## **Section 51     Grievance Procedure**

Any dispute concerning any application or interpretations of this Agreement shall be subject to the following procedure.

1. In the event that a dispute arises on a job, it shall be first reported to the Individual Employer and/or the Field Representative of the appropriate Local Union or the NCCRC who shall then attempt to adjust said grievance or dispute at the jobsite level.
2. The grieving parties shall specify the date(s) of the alleged violation(s) and the provision(s) of the Agreement applicable to the dispute.
3. If said grievance or dispute is not satisfactorily adjusted by the appropriate Local Union or the NCCRC or otherwise authorized Union Representative and the Individual Employer or his/her representative within

three (3) days after submission to the Individual Employer, the matter may be submitted by either party to a permanent Board of Adjustment created for the settlement of such disputes.

4. The Board of Adjustment shall be composed of one (1) member named by the Union, one (1) member named by the Association and an Impartial Arbitrator. The parties shall select an alternate to the permanent neutral Arbitrator who shall serve only in the event the permanent neutral Arbitrator is unable to serve. At any point in the proceedings should the panel be unable to reach a majority vote the Arbitrator shall participate and his/her decision shall be final and binding.
5. In addition to any rule or procedure which the panel may adopt, the Board of Adjustment shall be governed by the following provisions:
  - (a) No briefs shall be submitted, nor a transcript made of the hearing except by mutual agreement of the parties or by direction of the Arbitrator. Any transcript ordered by any party shall be at the expense of the party ordering the transcript.
  - (b) In the case of deadlock, the Arbitrator shall render his/her decision upon the conclusion of the case at the Board of Adjustment hearing, unless the time is extended by mutual agreement of the parties or at the request of the Arbitrator. The Arbitrator shall not render an expanded opinion in any case unless requested by the parties.
  - (c) The parties shall select and utilize a permanent Impartial Arbitrator who is willing to abide by the procedures set forth herein. By agreement of both parties, the Impartial Arbitrator may be changed or replaced.
  - (d) The Board of Adjustment or the Arbitrator may fashion an appropriate remedy to resolve the issue including, but not limited to, back pay, money damages, injunctive relief, audit, payment of wages and fringe benefits to persons damaged by the contract violations, interest or attorneys' fees.
  - (e) Any grievance involving an Individual Employer not a member of any of the signatory associations shall be submitted directly to the Arbitrator unless the Individual Employer agrees to submit the matter to the Board of Adjustment.
6. Disputes arising out of work assignment, which are governed by Section 16 (Jurisdictional Disputes), will not be heard at these panels.
7. The Board of Adjustment shall meet within forty-five (45) days on any item properly before the Board. Failure of either party to meet or to participate shall cause the Board or Arbitrator to hear and decide the matter on a default basis.
8. Decisions of the Board of Adjustment or an Impartial Arbitrator shall be within the scope and terms of this Agreement and shall be final and binding upon all parties hereto.
9. In the event an Individual Employer fails to comply with any such decisions, the Union may withdraw employees or strike the Individual Employer, and such action shall not be a violation of this Agreement so

long as such noncompliance continues, provided, however, that the Union may not enforce the provisions of Section 50 (Subcontracting) by economic action or picketing.

10. The expenses of the Joint Adjustment Board and the Impartial Arbitrator, including the cost of a court reporter, shall be borne equally by the parties hereto.
11. No proceeding hereunder based on any dispute, complaint or grievance herein provided for, shall be recognized unless the grievance procedure steps outlined above have been followed. The Arbitrator or Board may for good cause, accept a late submission, which shall then be decided by the Board of Adjustment.
12. The Board of Adjustment shall establish regular meeting dates and administer grievances filed in conjunction with this Section as set forth in the rules and procedures, which may be amended from time to time by the parties.
13. A decision of the Board of Adjustment by majority vote, or the decision of a permanent Arbitrator shall be enforceable by a petition to confirm an arbitration award filed in the Superior Court of the City and County of San Francisco, State of California, or the United States District Court for the Northern District of California. Any party who fails or refuses to comply with a decision of a Board of Adjustment or an award of the Arbitrator, as the case may be, shall be responsible for reasonable attorneys' fees for the filing and trial of any petition to confirm and enforce said decision or award in addition to all other remedies available through law, unless the petition is denied.
14. All hearings of the Board of Adjustment shall be in the City and County of San Francisco, and/or County of Alameda, unless mutually agreed to move to another location.
15. Other than matters concerning discharge, no proceedings mentioned hereinabove on any dispute, complaint or grievance shall be recognized unless called to the attention of the Employer and the Union within thirty (30) days after the last date the alleged violation was committed.
16. On all cases relating to discharge or discipline, employees must file their grievances with the Local Union or the NCCRC within three (3) working days after the imposition of the discharge or discipline. Thereafter, the Local Union or the NCCRC must file its grievance with the Board of Adjustment within four (4) working days after the employee files his/her grievance. The Board shall meet within seven (7) working days following submission of the grievance. The Board of Adjustment or Arbitrator shall be free to sustain the discharge or to find discipline other than discharge to be appropriate and may order reinstatement with full or partial back pay as he/she or it deems appropriate provided there shall be no discrimination on the part of the Individual Employer against any employee for activities on behalf of, or representation of the Union not interfering with the proper performance of his/her duties.
17. If failure of a Board of Adjustment to meet within one week (7 working days) is due to the unavailability of the Union, the wage payment and Trust Fund contribution liability shall be limited to the above seven (7) working days. If the Employer or Individual Employer, or Arbitrator is unavailable to meet, the wage payment and Trust Fund contribution liability shall be continuing.

18. The parties to this agreement recognize Industrial Wage Order 16-2001 covering “On Site Construction, Mining, Drilling and Logging Industries.” Any dispute or grievance arising from the Wage Order shall be processed under and in accordance with Section 51 (Grievance Procedure).

Any dispute concerning the interpretation or application of this Agreement shall be subject to the procedures set forth in paragraphs 1 to 17 of this Section. The following claims and claims for associated penalties, including claims for meal period and rest period violations governed by Section 22 (Work Day) shall be resolved exclusively through binding arbitration before an impartial arbitrator as set forth in this paragraph, and shall not be brought in a court of law or before any administrative agency such as the California Labor Commissioner: all claims arising under the Fair Labor Standards Act, the California Labor Code and the Industrial Welfare Commission Orders (e.g., Wage Order 16) and all derivative claims arising under California Business & Professions Code section 17200, et seq. for: unpaid wages (e.g. claims for hours worked off the clock, overtime wages, minimum wages, incorrect rate(s) of pay, and travel time); heat illness recovery violations; waiting time penalties; reimbursement of expenses (e.g. tools, cell phone charges, mileage and subsistence); recordkeeping of personnel files, time records and payroll records; and violation of Labor Code sections 212 and 226, and all similar claims arising under applicable local law.

It is mutually agreed that this Agreement prohibits any and all violations of the sections of the California Labor Code that are redressable pursuant to the Labor Code Private Attorneys General Act of 2004 (“PAGA”). In the event a grievance asserting PAGA violations arises, such claims shall be resolved exclusively through binding arbitration before an impartial arbitrator as set forth in this paragraph 18. This Agreement expressly waives the requirements of PAGA and authorizes the impartial arbitrator to award any and all remedies otherwise available under the California Labor Code, except the award of penalties under PAGA that would be payable to the Labor and Workforce Development Agency.

For rest period and meal period claims, the time limit for bringing such claims is the time limit for bringing grievances under this Section. For all other claims covered by this subsection 18, the intent of the parties is to use the shortest time limit permitted by applicable law, as determined by the impartial arbitrator. All substantive and procedural rights applicable to mandatory arbitration of employment claims shall be observed, (e.g., the right to more than minimal discovery, payment of costs by the employer, a written award, etc.). The impartial arbitrator shall manage all such claims with due regard for the rights of the employees and the inherent advantages of arbitration over court proceedings. The arbitrator shall be authorized to award any and all remedies otherwise available by law.

Statutory claims described above (other than meal period and rest period claims) shall be initiated by an aggrieved employee by written notice within the statute of limitations period to the Individual Employer with a copy provided to the Union. The Union will provide the aggrieved employee and Individual Employer with the permanent Arbitrator’s contact information. Once a grievance is filed for a statutory claim(s) described above, the Union, the aggrieved employee and the Individual Employer shall meet within thirty (30) calendar days, or other time as mutually agreed upon, to discuss and attempt to resolve the grievance. Should the grievance not be satisfactorily resolved to the satisfaction of the aggrieved employee within the foregoing time frame, the aggrieved employee may proceed directly to arbitration under the procedures set forth in this paragraph 18.

Should the permanent Arbitrator designated by the Parties to this Agreement be unavailable or unacceptable to the Individual Employer or aggrieved employee, the aggrieved employee and Individual Employer shall request a panel of five (5) labor arbitrators from the Federal Mediation and Conciliation Service. The arbitrators shall be members of the National Academy of Arbitrators and located in Northern California. The aggrieved employee and Individual Employer will select an impartial arbitrator from the panel using an alternative striking method with the party making the first strike determined by the flip of a coin. The Individual Employer shall be responsible for paying the cost of arbitration, including the arbitrator's fee.

The impartial arbitrator shall have the authority to consolidate individual statutory claims for hearing but shall not have the authority to fashion a proceeding as a class, collective or representative action, except with respect to PAGA claims as provided in this paragraph 18, or to award relief to a group or class of employees in one grievance or arbitration proceeding. The impartial arbitrator shall have the authority to apply the applicable Federal, state or local law to the statutory claim(s), but shall be prohibited from interpreting this Agreement. A decision of the impartial arbitrator shall be final and binding upon the aggrieved employee and the Individual Employer.

If the impartial arbitrator determines that the resolution of a statutory claim requires an interpretation of this Agreement, the impartial arbitrator shall certify a question to the Union and Employer seeking an interpretation of the relevant Section(s) of this Agreement. The Union and the Employer shall provide a response to the certified question within fourteen (14) days of receipt from the impartial arbitrator. If the Union and the Employer cannot mutually agree upon the interpretation of the relevant Section(s) for the response to the certified question, the certified question shall be submitted to the Board of Adjustment and the permanent neutral Arbitrator (as that term is used in paragraph 4 above) for a decision under the procedures set forth in paragraphs 1 to 17 of this Section.

If a court of competent jurisdiction finds any term or clause in this subsection 18 to be invalid, unenforceable, or illegal, such a term or clause may be revised to the extent required according to the opinion of the court to render this subsection enforceable or valid so as to preserve the agreement and intent to the fullest possible extent.

This subsection shall apply to any representative PAGA claims, class and/or individual claims that arise or are pending during the term of the Parties' current collective bargaining agreement, regardless of when they were filed with any court or administrative agency.

Wherever the Wage Order refers to collective bargaining agreements, this AGC/Carpenters Master Labor Agreement shall be deemed to satisfy all of the requirements for treatment as a qualified collective bargaining agreement.

## Section 2      Show-Up Time

- A. When workers are ordered and dispatched for work and report for work on the same day, they shall be paid hours worked plus two (2) hours reporting, but not to exceed eight (8) hours on a regular eight (8) hour shift.
- B. Except on the first day of employment when workers report to work and no work is provided, they shall receive four (4) hours pay and travel or subsistence, whichever may apply. If a Millwright employee is required to report to work and no work is provided as a result of inclement weather, the employee shall be paid subsistence or travel for the day as spelled out in Section 1 (Travel and Subsistence), whichever may apply.
- C. The regular meal period for Millwrights shall start no less than three and one-half (3 ½) nor more than five (5) hours after the start of any regular shift. Any Millwright who works more than a five (5) hour period without a meal period shall be paid for all work in excess of said five (5) hour period (at the prevailing overtime rate) until a meal is provided (such pay shall be reckoned by the hour and the half hour). The

established meal period will constitute the reckoning of the day or half day. If the job circumstances require Millwrights to work more than ten (10) hours on a shift, they shall have a second meal period of one-half ( $\frac{1}{2}$ ) hour and an additional meal period every four (4) hours thereafter. Such meal period shall be paid for at the prevailing overtime rate by the Individual Employer.

- D. Notwithstanding the multiple shift-three (3) day requirement a single or multiple approved shift may be established where the premises cannot be vacated in whole or in part until the close of business. Workers then reporting for work shall be paid on the basis of eight (8) hours pay for seven and one-half ( $7\frac{1}{2}$ ) hours work. Any work prior to the approved shift and any work after the approved shift period shall be at time and one-half not to exceed four (4) hours. Overtime work in excess of four (4) hours shall be double time.

- B. In all 46 Counties a Millwright Foreman may not supervise more than one (1) jobsite. No one (1) Millwright Foreman shall supervise more than ten (10) Millwrights. Foremen shall receive five dollars and fifty cents (\$5.50) over Millwright's scale. Either a Millwright Foreman or General Foreman, having supervision over other crafts, shall receive not less than the regular hourly rate of the highest paid classification over which he/she has supervision, providing that the employee receiving the highest rate of pay (other than a Millwright) shall be on the Individual Employer's payroll. In the above case the Millwright shall not receive less than the Millwright Foreman or General Foreman's scale.
- C. When there are three (3) or more Millwright Foremen employed by the Individual Employer on the jobsite, there shall be designated one (1) General Foreman. General Foremen shall receive three dollars and fifty cents (\$3.50) over Millwright Foreman's scale.

## Pre-Apprentices

In order to encourage persons who have not traditionally entered the carpentry trade to enter and complete the necessary apprenticeship program and to increase the potential for successful completion of all those who become indentured apprentices, the parties hereto agree to create a pre-apprenticeship program, the purpose of which will be to introduce the Trade to such persons.

Such pre-apprenticeship program may be utilized by Employers under the following conditions:

On private residential projects covered and registered as per Appendix C, a pre-apprentice period is established as follows:

Period of time-180 calendar days. Wage rates 35% of the applicable journeyman rate plus fringe benefit contributions as follows: Training, Work Fee, CCAP, Carpenters International Training Fund, Work Preservation and Contract Administration.

An Individual Employer may employ one (1) pre-apprentice for each apprentice in his/her employ that has entered the third or higher period of apprenticeship. Pre-apprentices shall not be considered in computing the journeyman to apprentice ratio.

The use of pre-apprentices is to be considered a privilege by an Individual Employer and violation of the pre-apprentice ratio shall cause the privilege to be denied, subject to Section 51 (Grievance Procedure) of the AGC/Carpenters Master Labor Agreement.

The Employer and the Union shall establish rules governing the use of and criteria for advancement of pre-apprentices into the Apprenticeship program.

Except as specifically amended in this Section of this Addendum, the terms and conditions of Section 39 (Wage Rates) of the AGC/Carpenters Master Labor Agreement remain unchanged.

C-4. The work week will be governed by the terms of Section 24 (Work Week) of this Agreement.

### C-5. Job Registration

- A. Individual Employers shall register all jobs to be performed under the terms and conditions of this Addendum. An Individual Employer who opts to subcontract covered work shall register any such subcontractor. An Individual Employer acting as a subcontractor shall register all jobs to be performed under the terms of this Addendum.
- B. Each Individual Employer shall notify the Union in writing, on a Job Registration Form to be provided by the Union of the location of each job on which he/she or it will be performing work covered by the Agreement. Such notice shall be given prior to the commencement of work and shall contain all the information required by the Union. On jobs where the time factor does not permit all registration of jobs prior to their commencement, the contractor shall notify the appropriate Local Union or the NCCRC office by telephone, giving all pertinent information regarding the specific job.

Such notification must be confirmed in writing on the regular Job Registration Form provided by the Union within forty-eight (48) hours thereafter.

- C. In the event a contractor takes over the performance of a contract covered by the terms of this Agreement for another contractor, the successor contractor shall notify the Union by certified mail of its intent to undertake performance of the contract. Such notice shall be given prior to commencing work. Failure to give such notice shall subject the successor contractor to any liability for any delinquent fringe benefits of the predecessor contractor through Section 51 (Grievance Procedure) in addition to any other claims which may arise because of such failure.
- D. The information to be contained on the registration form shall include, but not be limited to, the following:
  - 1. Individual Employer's name, address, telephone number, Contractor's License number, Carpenters Trust Fund account number, and Workers Compensation carrier and policy number.

Nothing in this Addendum shall in any way abridge, amend or detract from Section 50 of the AGC/Carpenters Master Labor Agreement, entitled "Work Preservation, Contracting and Subcontracting," provided, however, compliance with the registration of subcontractors as required herein shall satisfy the written notice requirement of Section 50 paragraph 5.
  
- C-6. In the event that the Union negotiates more favorable terms and conditions for work covered by this Addendum in the Ten County Area, such more favorable terms and conditions shall be available to any individual employer signatory to this Addendum provided, however, any signatory employer desiring to take advantage of the different terms and conditions must adopt all the terms and conditions applicable to such other agreement. This provision shall not apply to any project agreements negotiated by the Union. For public projects advertised and private projects bid or negotiated on or after September 1, 2014, when a job site access has been limited by the construction user, a special shift may be established during off hours, Monday through Friday, when the Individual Employer produces evidence in writing to the appropriate Local Union or the Union of a bona fide job requirement which certifies that work can only be done outside the normal shift hours. Work performed during special shifts shall be paid at the wage rate of 12.5% premium pay. Work in excess of eight (8) hours shall be subject to the overtime provisions of this Agreement.

Provided, however, if, by direction of the Contracting Authority, the bid specifications require it, or congestive traffic conditions on Fridays are such that working conditions would be unsafe for employees, or counter-productive to the performance of work, the special shift may commence on Sunday, with double (2) time to be paid from 8:00 p.m. Saturday up to and including 8:00 p.m. Sunday, and shall be paid at the wage rate of 12.5% premium pay from 8:00 p.m. Sunday until completion of the eight (8) hour special shift. If Sunday is the first day of the work week as provided herein, all hours worked between 8:00 p.m. Friday and 8:00 p.m. Saturday shall be paid at time and one-half (1 ½).

No special shift shall be established or started for less than three (3) days duration unless the contracting authority specifies work tasks of only one (1) or two (2) days duration. Work performed during special shifts of less than three (3) days duration shall be paid at the wage rate of 12.5% premium pay for a minimum of eight (8) hours.
